

# **DXT Mouse 3 Pairing Instructions**

## **Bluetooth Pairing**

Slide the On/Off button to the “Blue” position.

Open your Bluetooth settings on your computer and search for new devices.

Press the DXT Bluetooth pairing button until you see “DXT Mouse” and then add device.

## **2.4 G Pairing**

Slide the On/Off button to the “Green” position.

Hold middle click (scroll wheel) and right click together for 4sec until the “R” LED flashes.

Plug the dongle in an empty PC USB port.
