

Declaration of Conformity, Restriction of Hazardous Substances (RoHS3)

Kinesis Product family: Savant Elite2 & JSB Foot Pedals\*

This document certifies that the items sold by COMPANY are in compliance with Directive 2015/863/EU to amend Annex II to EU RoHS 2 (Directive 2011/65/EU) of the European Parliament and of the Council of 4 June 2015 on the restriction of the use of certain Hazardous Substances in electrical and electronics equipment ("RoHS Recast").

To the best of our knowledge, the product(s) we supply are compliant with the RoHS directive. The components in the product(s) do not contain the substances listed in the table below in concentrations greater than the maximum control value. The information provided may not be based on analyzed test data, but rather on information obtained from raw material supplier or supplier certifications.

Table with 2 columns: Hazardous and Restricted Substances, Maximum concentration value tolerated by weight to homogeneous materials. Rows include Lead (0.1%), Mercury (0.1%), Cadmium (0.01%), Hexavalent chromium (0.1%), Polybrominated biphenyls (0.1%), Polybrominated diphenyl ethers (PBDE) (0.1%), Bis(2-Ethylhexyl) phthalate (DEHP) (0.1%), Benzyl butyl phthalate (BBP) (0.1%), Dibutyl phthalate (DBP) (0.1%), Diisobutyl phthalate (DIBP) (0.1%).

We further certify that none of these materials are intentionally added to or are part of our manufacturing processes for these products.

This replaces all former statements made by Kinesis Corporation concerning RoHS Directive. Signed for and on behalf of Kinesis Corporation, Bothell WA, USA.
